

Your surgeon has an upcoming procedure planned for you at Precision Surgery Center. In preparation for that procedure, please ensure that the following items are completed within 30 days of your scheduled surgical date and that the results are provided to Precision Surgery Center as soon as they are available. Our fax number is 586-816-9901.

Clearances from your health care providers:

- Medical Clearance (required)
- Cardiac Clearance (if requested)
- Other Specialist (if requested) _____

Laboratory/Diagnostic Tests (required):

- EKG
- Complete Blood Count
- Complete Metabolic Panel
- Coagulation Panel (PT/INR, PTT)
- Nasal Swab for Staph Aureus*
- A1C

*If the Staph Aureus Screening is unable to be completed in the office, please get a prescription to have it completed at an outpatient laboratory.

Thank You! We look forward to working with you!
